# Plantronics Encore Pro

- Plush ear cushions for hours of comfortable wear
- Combines luxurious style with featherweight comfort
- Nylon composite materials for featherweight comfort
- Reinforced, lightweight headband for strength and durability
- Sliding boom ensures precise microphone positioning
- Superior noise-canceling microphone
- Low-sitting boom/microphone not visible to wearer
- Slim, stylish design for a subtle visual profile
- The most comfortable headset with soft and fitting ear cushions
- Premium audio ensures quality customer communications

Blending luxurious comfort with superior audio clarity and sleek, polished looks, the Plantronics® EncorePro headset delivers unprecedented style and performance to contact center professionals.

The EncorePro is built with premium lightweight nylon composite materials providing an ultra-lightweight design and taking comfort to a new level. Plush leatherette ear pads provide all-day comfort, and the reinforced, lightweight headband provides strength and durability. The extendable microphone ensures precise positioning so customers hear every word.
